WHEN STRATEGY MEETS EXECUTION: A NEW OPERATING MODEL

Milan, February 26, 2018
FORWARD-LOOKING STATEMENT

Certain statements in this investor presentation may constitute “forward-looking statements” as defined in the Private Securities Litigation Reform Act of 1995. Such statements involve risks, uncertainties and other factors that could cause actual results to differ materially from those which are anticipated. Such risks and uncertainties include, but are not limited to, our ability to manage the effect of the uncertain current global economic conditions on our business, our ability to successfully acquire new businesses and integrate their operations, our ability to predict future economic conditions and changes in consumer preferences, our ability to successfully introduce and market new products, our ability to maintain an efficient distribution network, our ability to set and achieve our business objectives and manage growth, our ability to negotiate and maintain favorable license arrangements, the availability of correction alternatives to prescription eyeglasses, fluctuations in exchange rates, changes in local conditions, our ability to protect our proprietary rights, our ability to maintain our relationships with host stores, any failure of our information technology, inventory and other asset risk, credit risk on our accounts, insurance risks, changes in tax laws, as well as other political, economic, legal and technological factors and other risks and uncertainties described in our regulatory filings. These forward-looking statements are made as of the date hereof, and we do not assume any obligation to update them.

In addition, such forward-looking statements include, but are not limited to, statements regarding the proposed business combination between Essilor International and Luxottica Group (including the benefits, results, effects and timing of a transaction), all statements regarding Luxottica’s (and Essilor’s and Luxottica’s combined) expected future financial position, results of operations, cash flows, dividends, financing plans, business strategy, budgets, capital expenditures, competitive positions, growth opportunities, plans and objectives of management. Statements used herein concerning the business outlook or future economic performance, anticipated profitability, revenues, expenses, dividends or other financial items, and product or services line growth of Luxottica (and the combined businesses of Essilor and Luxottica), together with other statements that are not historical facts, are forward-looking statements that are estimates reflecting the best judgment of Luxottica based upon currently available information.

This investor presentation contains measures that were not prepared in accordance with IFRS. For a reconciliation of non-IFRS measures used in these materials, see the Company’s press release titled “Record 2017 with net profits and free cash flow over one billion Euro” dated February 26, 2018, available on the Company’s website www.luxottica.com under the Investors tab.

STICKING TO STRATEGIC PRIORITIES

• Leveraging strong brand portfolio with more integrated and consumer-centric distribution
  – Expansion of Ray-Ban stores: continuous focus on China and new openings in Europe and Latin America
  – Richer e-commerce experience

• Strengthening wholesale distribution while fighting counterfeits and parallel markets
  – Moving to direct distribution in Middle-East

• Continuing operational excellence
  – Hub approach and further supply chain integration

• Nurturing investments in:
  – Product innovation
  – “Futurizing” store experience
RAY-BAN IS FIRING ON ALL ENGINES
The world’s most-loved eyewear brand

• Winning over consumers with product innovation and new digital marketing campaign for frames and lenses
  – Ray-Ban lenses enriching a full brand experience

• Driving marketplace transformation
  – Going more and more direct to consumer
    • Ray-Ban.com offering customization and endless aisle
    • Growing mono-brand stores in China, starting with Europe and Latin America

• Healthy single-digit growth continues, fiercely defending brand equity and value
  – Wholesale clean-up to drive results
    • MAP fully effective in North America
    • ARA implemented globally
    • RFID tag to gain control
LENSCRAFTERS: THE TURNAROUND CONTINUES

• Renewed focus on brand’s strengths: product excellence, superior service and advanced digital eye exam technology

• Confident in our strategy and aware that the right execution takes time
  – Ongoing acquisition of talented field and store managers
  – Enhancing the customer journey: leading the technological and storytelling evolution in-store

• Strong chain profitability enabling investments
  – Just launched the remodeling program: 50+ stores in 2018
  – Macy’s agreement revised: up to total 200 locations by early 2019
  – Developing the new LensCrafters.com platform
SUNGLASS HUT: PREMIUM MESSAGING AND OMNICHANNEL STRATEGY DRIVING RESULTS
The only multi-brand premium sun specialist worldwide

- Eliminating promotions helped to strengthen premium messaging in store and online
  - Strong improvement in sales performance during 4Q
- Gradual and selective network expansion
  - Right-sized in North America
  - Paving the way for expansion in Europe and all over Latin America
- Omnichannel hard at work
  - E-commerce targeting 8-10% of chain revenues by 2021
  - CRM powerful tool in the US, developing in other areas
NOTES TO THE PRESENTATION

1. Figures at constant exchange rates are calculated using the average exchange rates in effect during the corresponding period of the previous year. Please refer to the “Major currencies” table in the press release titled “Record 2017 with net profits and free cash flow over one billion Euro” dated February 26, 2018 available at the www.luxottica.com website under the Investors tab.

2. “Comps” or comparable store sales reflect the change in sales from one period to another, that, for comparison purposes, includes in the calculation only stores open in the more recent period that also were open during the comparable prior period, and applies to both periods the average exchange rate for the prior period and the same geographic area.

3. Net debt/EBITDA, net debt/adjusted EBITDA, net debt, EBITDA, adjusted EBITDA, adjusted gross profit, adjusted operating income, adjusted operating margin, adjusted net income, adjusted earnings per share and free cash flow are not measures in accordance with IFRS. For additional disclosure, see the press release titled “Record 2017 with net profits and free cash flow over one billion Euro” dated February 26, 2018 available at the www.luxottica.com website under the Investors tab.

4. Excluding adjusting items.

5. Net income attributable to Luxottica Group Stockholders at December 31, 2016 was restated to include €2.4 million from the Salmoiraghi & Vigano’s acquisition required by IFRS 3 - Business Combinations. For additional disclosure, see the press release titled “Record 2017 with net profits and free cash flow over one billion Euro” dated February 26, 2018 available at the www.luxottica.com website under the Investors tab.

6. Net debt figures are calculated using the average exchange rates used to calculate EBITDA figures.
