

LUXOTTICA: CREDIT FACILITIES OF US\$2.0 BILLION FOR OAKLEY

Luxottica Mandates Group of Banks to Finance Proposed Acquisition

Milan, Italy, 3 August, 2007 - Luxottica Group S.p.A. (NYSE: LUX; MTA: LUX) today announced that it has mandated a group of banks to arrange, underwrite and provide credit facilities for an aggregate of US\$2.0 billion.

The facilities will consist of:

- An **Amortizing Term Loan** of US\$1.5 billion, with a five-year term, with options to extend the maturity on two occasions for one year each time. Consistent with the Group's main existing facilities, the term loan will have a spread of between 20 and 40 basis points over LIBOR, depending on the Group's ratio of debt to EBITDA. The Mandated Lead Arrangers and Bookrunners for the term loan are Citigroup (acting also as Documentation Agent), Intesa San Paolo, The Royal Bank of Scotland and UniCredit Markets and Investment Banking (acting also as Facility Agent).
- A **Short-Term Bridge Loan** of US\$500 million. The facility may be partially refinanced with a U.S. private placement assuming favorable market conditions. This facility will be underwritten by Bank of America and UniCredit Market and Investment Banking.

Funding under these facilities will be subject to the closing of Luxottica Group's proposed acquisition of Oakley, Inc.

Enrico Cavatorta, chief financial officer of Luxottica Group, commented: "The facilities are designed to provide financing for the closing of our previously announced proposed acquisition of Oakley. We are pleased to see such a strong show of confidence in our Group from this group of leading international banks. The terms of these facilities reflect the ability of our Group to secure favorable conditions for our financing needs."
