

MICHAEL KORS

SPRING/SUMMER 2021 COLLECTION

The Michael Kors Spring/Summer 2021 eyewear collection celebrates the brand's signature charm and glamour as iconic, fashion-forward silhouettes are reinterpreted with compelling, modern and perfectly crafted details. Ranging from the most sophisticated shapes to the most contemporary designs, the styles in this collection are defined by high-quality materials, rich color palettes and iconic detailing, including the iconic Michael Kors plaque logo, curb chain accents and carryover metal temples.

MODERN GLAMOUR | VISION OF GLAMOUR

Elevated yet practical, this glamorous oversized style features a chic silhouette, acetate construction and a sleek temple accented with the iconic MK logo.

MK 2137U - ANAHEIM

This acetate squared frame features a sleek temple enhanced by the iconic MK logo. The universal fit offers wearability for all face shapes, and the glasses with clear lenses are designed to reduce visual discomfort by filtering blue light from digital devices. The Anaheim comes in black or clear transparent with clear blue-light lenses, and black with dark grey polar lenses.

MICHAEL KORS

CHARM SCHOOL | MODERN GLAM CHARM

In this appealing selection, metal temples wrap around the front to create a unifying theme, while open venting and the circle charm logo applied on the front add an element of luxe texture.

MK 1087 - CANCUN

Sleek and weightless, this ultra-feminine squared metal frame boasts open venting details and the iconic circle charm logo in front. The brand name is also engraved on the metal temple for an additional signature touch. The Cancun is offered in a luxe satin light gold-tone with light gold-tone temples and brown gradient lenses.

MK 2139U - TULUM

A timeless allure defines this elegant and extremely feminine pair of sunglasses. The mixed-material cat-eye construction shows open venting details and circle charm logos on the front, and the iconic brand name is engraved on the thin temple. The Tulum is available in black with light gold-tone temples and dark grey polar lenses.

MODERN GLAMOUR | CHAIN REACTION

Curb chain accents along the frame add showstopping glamour to these covetable, ultra-luxe styles.

MK 1090 - AMSTERDAM

With curb chain accents on the front and the iconic MK logo on the carryover metal temple, this glamorous oversized style is both classic and edgy. The feminine and elegant light gold hue is paired with stunning silver khaki flash lenses.

MK 3051 - ANDALUSIA

This glamorous cat-eye style features a metal frame with curb chain detailing on the front. The Andalusia's carryover metal temple is finished with a raised MK logo and comes in a unique light gold tone that lends a sophisticated effect.

MK 2141 - COPENHAGEN

Whimsical and bold, the Copenhagen offers timeless charm. A curb chain detail adorns the top of the chic round frame, while the MK logo is featured within the chain detail as well as on the temple. This stunning model is offered in classic black with light gold-tone temples and dark grey gradient lenses.

MODERN GLAMOUR | SOPHISTICATED STUDS

With a stunning silhouette guaranteed to turn heads, the model in this selection boasts a feminine design that is accented with eye-catching pyramid studs.

MK 3046 - CATANIA

Feminine and sophisticated, this new cat-eye silhouette features a metal front, pyramid stud detailing on the temples and a raised Michael Kors logo. The classic silver color of the frame is paired with transparent plastic temples.

URBAN COOL | LOGO LOVE

A modern twist on the logomania trend, these oversized styles are splashed in Michael Kors' logo initials and finished with a statement plaque featuring the brand's name on the temple.

MK 2140 - MANHASSET

This timeless yet modern squared shape features glamorous custom acetates on the front, while the brand's plaque logo embellishes the carryover acetate temples. Beautiful rich tortoise patterns—as well as Michael Kors' new custom repeat tortoise—compose the color palette, which includes jet-set tortoise with red solid temples and brown gradient lenses, and MK logo print tortoise with dark grey solid lenses.

MK 4081 - SANTA MONICA

A soft, feminine flair defines this marvelous cat-eye shape that features luxurious custom acetates on the front and temples. The signature plaque logo decorates the carryover acetate temples for a final touch of elegance. The Santa Monica is available in the beautiful MK logo-print tortoise hue.

MICHAEL KORS

URBAN COOL | CAT-EYE REMIX

The classic cat-eye gets a sporty-chic update with a thick-to-thin temple, luxe metal detailing and a mix of colors and prints.

MK 2132U - VALENCIA

This on-trend, angular take on the cat-eye shape showcases mixed materials, a thick-to-thin temple, luxe metal detailing and a combination of colors and prints. The Valencia is offered in a classic metal black front paired with plastic black temples and silver mirror grey gradient polar lenses.

SPORT-LUXE CHIC | SEAMLESSLY CHIC

Seamless, flat lenses and thin metal temples combine to create the ultimate in modern sophistication.

MK 1089 - KONA

A modern twist to the brand's iconic pilot shape, this frame features a seamless construction with a sporty accent. The metal temple boasts the iconic engraved Michael Kors logo. The color palette includes shiny black with dark grey mirror lenses and rose gold-tone with silver mirror lenses.

MK 1088 - MAGNOLIA

Sporty yet feminine, this contemporary metal round shape features refined plastic detailing and flat lenses. The innovative seamless construction hosts the engraved Michael Kors logo on the metal temple. The Magnolia comes in light gold-tone with brown gradient lenses and rose gold-tone with rose gold mirror lenses.

MICHAEL KORS

SPORT-LUXE CHIC | MODERN MOMENT

Sleek and lightweight, these frames incorporate a thin metal construction that lends them a minimalist chic.

MK 2130U - SORRENTO

This mixed-material, fashion-forward frame boasts a sleek metal temple with the brand's signature logo and circle charm engraved at the tip. The classic palette ties back to Michael Kors' classic hues, including transparent with light gold-tone temple and rose gold mirror polar lenses, and terracotta with light gold temples and terracotta gradient lenses.

MK 4079U - TERNI

Sleek, lightweight and chic, this squared front with metal wraparound detailing features a mixed-material temple with Michael Kors' iconic circle charm logo at the tip and a thin metal construction for a featherweight finish. The Terni comes in black or dark tortoise with light gold-tone temples.
