RAY-BAN ROUND: ICONIC NEW MODELS COMBINE A RETRO LOOK WITH CONTEMPORARY STYLE

The Ray-Ban collection has evolved to incorporate new eyeglasses and sunglasses based around the simple, evocative round shape

The Autumn/Winter 2015/2016 collection from Ray-Ban sees the arrival of original and alluring new versions of their iconic Ray-Ban Round models, reinterpreted with new, experimental materials.

RB2180

The classic Ray-Ban Round shape is modernized in these ultra-contemporary, 100% acetate frames. The bridge, rivets and unmistakable Ray-Ban temples are the stand-out features that make these frames a real must-have this season. Available in five colors: classic black, Havana, blue, green and dove-grey. Also available in Asian Fit.

RX2180V

With the same design, same functionality, same lightness, these optical frames are perfect for lovers of the iconic Ray-Ban Round shape. Available in five colors: classic black, Havana, blue, green and dove-grey. Also available in Asian Fit.

RB2447

The use of both acetate and metal gives this style a new take on the iconic Ray-Ban Round model. The bridge and temples in metal maintain a vintage touch, with the modern front section in acetate ensuring a perfect balance. Available in a range of metallic matte colors: gunshot grey, gold and black. Also available in fresh Havana "Fleck" acetates mixed with blue, green and red.

RX2447V

This optical style pushes the boundaries of the iconic Ray-Ban Round to the limit. The slender metal temples are a true stand-out feature, adding personality and lightness to the frames. Available in a range of metallic matte colors: classic black, gunshot grey and gold, with premium "Fleck" acetate mixed with Havana and black. Available in Asian Fit.

RB4224

The Light Ray collection broadens its horizons with a new sunglass model that gives the classic round shape a hi-tech makeover. The patented no-screw, no-solder hinges and 100% pure titanium temples make for ultra-light, ultra-cool pair of sunglasses; further enhanced by pared-down monochrome lenses that are right on trend. Available in a range of matte colors: opal, black, transparent, grey and Havana.

RX7051

These optical frames combine a slightly round shape with cutting-edge Light Ray technology - patented no-screw, no-solder hinges and 100% pure titanium temples. Available in a range of matte colors: yellow, black, dark blue, grey and Havana.

RX7046

The unmistakable Erika shape is finally available in optical, with one exciting new feature: nylon temples and a rubber front section. Available in classic black and Havana, as well as in three new iridescent colors matched with tone-on-tone temples: blue, red and violet. Available in Asian Fit.
